

SKATEBOARD PARK COMMITTEE MEETING
JUNE 12, 2002
6:30 P.M.

In the absence of President Sweet and Vice President Shelton, Sharpe called the meeting to order.

Sharpe shared with those present the current donations have totaled \$10,472.18 after a \$60.00 donation from Cathy Linville of Subway and the \$350 match from Wal-Mart's car wash.

Sharpe was happy to share with the committee that we have received a check for \$12,500.00 from (EMC) Environmental Management Corporation for the new skateboard park. EMC has asked they have some sort of monument with their name in recognition of their donation and to have a photo-op of the check presentation.

Sharpe reported that Oler Fence Company is installing the fence at the new skateboard park this week.

Eugene Stanley will be repairing cracks and sealing the area the next week.

Sharpe informed the committee that the Parks and Recreation Board liked the idea of a bronze plaque embedded on a pillar of bricks with each brick having the names of the skateboard park committee members and all the donors engraved in the bricks. Sharpe is checking on pricing.

Sharpe stated that she is just calling the new Skateboard Park the Community Skateboard Park but that if any committee member could come up with another name the Parks Board would consider a new name. She asked committee member to come up with something and submit the name to her in the next couple of weeks.

It has been decided to do a ground breaking on Monday, July 1st at 3:00 P.M. at the new skateboard site and asked all committee members to be present for the dedication and photo-op.

On July 9th the Parks and Recreation Board would like to present this committee with certificates for all your hard work in raising \$10,000. Sharpe asked all committee members to please come to the Laughlin Park Shelter House in the West End on Tuesday, July 9th for your presentation and photo-op.

Pictures were shared that were taken from the car wash.

Sharpe thanked the committee for all the hard work that has taken place to get us where we are today.

There being no further business, meeting adjourned at 7:15 P.M.

Respectfully Submitted:

Carla Sharpe, Secretary
